TerraWeave

ROOTED IN AFRICA. WOVEN FOR TOMORROW.

Brand Identity Toolkit

A sustainable African fashion concept built around cultural pride, responsible materials, and community craft.

Prepared by Don Philip • Brand strategy, identity & applications
DESIGNED BY ONYEJEKWE PHILIP EMEKA (DON-PHILIP)

Brand Mission

OUR MISSION

To create contemporary African fashion that celebrates cultural heritage, supports local makers, and makes more responsible style accessible to conscious consumers.

CULTURE

Keep stories and craft visible.

COMMUNITY

Value makers and fair work.

PLANET

Choose with care.

Promise & Essence

BRAND PROMISE

Authentic African style, thoughtfully made.

Every collection will aim to honour cultural inspiration, prioritize responsible material choices, and make the people behind the product part of the story.

BRAND ESSENCE

ROOTED

Authentic • Sustainable • Empowering

The brand should feel grounded, expressive, warm, and optimistic—not disposable or trend-chasing.

Positioning & Audience

POSITIONING	A contemporary African fashion label for people who want expressive style with cultural meaning and more responsible production.
PRIMARY AUDIENCE	Style-conscious adults aged 18–45, including young professionals, diaspora communities, and shoppers who value craftsmanship.
DIFFERENTIATOR	A visible connection between African-inspired design, local maker stories, and a practical sustainability mindset.
PERSONALITY	Grounded, proud, thoughtful, creative, welcoming, and quietly confident.
VALUE PROPOSITION	Wear pieces that express identity while supporting a more considered approach to fashion.

VOICE PRINCIPLES Human • Proud, never boastful • Clear • Specific about impact

Primary Logo

TerraWeave

ROOTED IN AFRICA. WOVEN FOR TOMORROW.

The mark combines a rising stem and woven leaf forms: growth, craft, and the relationship between people and the natural world.

Clear space: keep at least the height of the leaf mark around the logo.

Minimum digital width: 140 px for the full lockup.

MARK ONLY

Alternate Lockups

PRIMARY / STACKED

TerraWeave

Rooted in Africa.

Use for packaging, labels, and profile avatars.

HORIZONTAL

TerraWeave

Rooted in Africa. Woven for Tomorrow.

Use when horizontal space is limited.

ICON ONLY

Use as a favicon or small stamp.

Typography System

DISPLAY / HEADLINES

Playfair Display

Aa Bb Cc Dd Ee Ff Gg

Use an elegant serif style for editorial headlines, campaign titles, and short statements. In this PDF, Times is used as a close built-in stand-in.

BODY / INTERFACE

Montserrat

Aa Bb Cc Dd Ee Ff Gg

Use a clean sans-serif style for body copy, product details, navigation, and captions. In final production, use Montserrat or a similar legible sans serif.

Hierarchy: Display headline 28–40 pt • Section heading 16–22 pt • Body 10–12 pt • Caption 7–9 pt

Color Palette

Forest Green
#0B3D2E

ROLE

Primary anchor for the logo, headings, and key backgrounds.

Sage Green
#7CA982

Secondary natural tone for highlights, icon strokes, and supporting surfaces.

Sand Beige
#EAE1C6

Warm neutral for breathing room, cards, and backgrounds.

Earth Brown
#5A3E2B

Grounding accent for product details and heritage-led storytelling.

Warm Gold
#D4AF37

Use sparingly for emphasis, calls to action, and fine rules.

Off White
#FAF9F6

Neutral canvas for readable, clean layouts.

Suggested balance: 55% Forest / 20% Off-white & Beige / 15% Sage / 7% Brown / 3% Gold

Icons & Pattern Language

SUSTAINABILITY

COMMUNITY

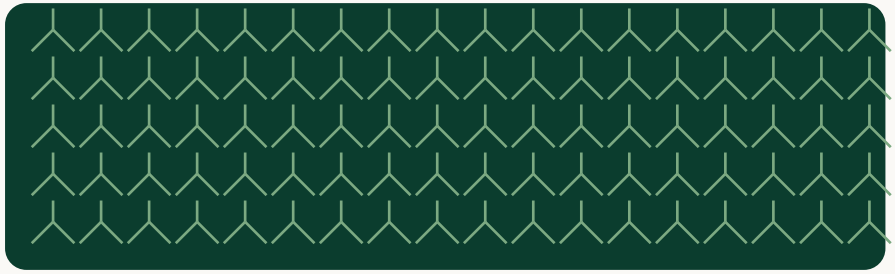

CARE

CIRCULARITY

HERITAGE

GROWTH

REPEAT PATTERN

Icon rules

Use simple outline icons with consistent stroke weight and rounded joins. Keep each icon recognizable at small sizes; pair it with a short label when meaning is not obvious.

Pattern inspiration: interlocking lines suggest weaving and shared effort. Use as a border, tissue paper, or background texture—not behind long text.

Stationery Mockups

TerraWeave

ROOTED IN AFRICA. WOVEN FOR TOMORROW.

Sustainable African fashion

TerraWeave

Business card / reverse side

LETTERHEAD CONCEPT

TerraWeave

Date: _____

Dear _____,

Thoughtful style. Rooted in community.

TerraWeave

Stationery system

Signage & Merchandise

STOREFRONT SIGN

REUSABLE BAG

APPAREL / STAFF TEE

Application rule: keep the logo high-contrast and uncluttered. Use the pattern as a secondary detail; do not compete with the wordmark.

Research, Exploration & Next Steps

RESEARCH SUMMARY

Desk-research assumptions for the concept: consumers increasingly discuss sustainable fashion, cultural representation, traceability, and the value of local makers. These are starting hypotheses—not original survey findings.

Before commercial launch, validate with interviews, competitor reviews, and material/supplier checks.

DESIGN EXPLORATION

A / Heritage	Pattern-led, bold and expressive
B / Botanical	Nature-led, calm and clean
C / Craft	Material-led, warm and tactile

FINAL DIRECTION & REFINEMENT

Selected a botanical-craft direction: forest green signals stability and nature; sage softens the system; sand and earth tones connect to natural materials; warm gold adds a restrained premium accent. The leaf-and-weave mark is designed to work as both a standalone symbol and a full wordmark.

PRODUCTION CHECKLIST

- [ ] Test logo in black and white
- [ ] Check contrast and small-size legibility
- [ ] Confirm ethical sourcing claims with evidence
- [ ] Review print proofs and material samples
- [ ] Gather feedback from target customers

Concept note: TerraWeave is a fictional brand created for this educational project. No real-world impact claims are being made.
